SERVE DAY

Serve Day began at CPC in 2016. Now in its 9th year, Serve Day has hosted over 12,000+ volunteers. We count it a privilege to “be the church” in our community by leveraging our hands and feet to serve like Jesus.

This happens by mobilizing people and resources throughout the San Ramon Valley and Bay Area to best meet the tangible needs of our community. Sometimes this looks like painting, building, repairing, cleaning, packing, organizing and sometimes simply being present with people.

Along with **FOR the World** funds CPC has come alongside over 45+ different organizations, schools, faith and non-faith based non-profits.

- Here are just a few!
- Kids Against Hunger
 - San Ramon Valley Unified School District
 - Blue Star Moms
 - White Pony Express
 - Town of Danville Parks and Rec
 - Crayon Initiative
 - Teen Esteem
 - Pledge to Humanity
 - 680 Ramp Clean Ups
 - Local Police and Fire Departments
 - Shepherds Gate
 - Meals on Wheels
 - Run for Education
 - Down Syndrome Connection
 - Vets and Widows
 - And many more!

SAVE THE DATE:
SEPTEMBER 28-29, 2024

In January 2024 **FOR the Valley** celebrated five years! God has been so faithful over the last 5 years to open up doors to serve and we want to look back and celebrate a few of those opportunities we have had.

Volunteers like you have supported events like Screen on the Green, Run For Education, Sip and Stroll, the 911 Memorial and Run for Education. Over the years we have developed a close working relationship with the town of Danville and partner with projects like Lend a Hand that involves about 150 volunteers cleaning and doing repairs in homes of seniors in the San Ramon Valley.

We've been able to support our small businesses by offering two Business Breakfasts here at CPC, featuring speakers like Jeff Henderson, former Chick-fil-A marketing executive.

It has been our privilege to spotlight local businesses and support them on our social feeds.

We have also been a large part of the Danville Christmas Tree Lighting every year with our CPC worship team providing caroling and over 50 volunteers who help at our heat zone, helping drive business to our local retail stores and restaurants.

During COVID, our FOR the Valley team worked to take food to the ER staff at our surrounding hospitals. When our local businesses felt threatened by the riots and violence that moved from San Francisco to Walnut Creek, our volunteers sprung into action, bought the wood and went downtown to help our small businesses board up.

Over the last five years, CPC has been able to host multiple blood drives, saving upwards of a 1000 lives!

And lastly, because of the generosity of those who faithfully give to and through CPC, we've been able to make many donations and sponsorships. A few that stand out are within the education pillar, donating to Run for Education, college scholarships, and multiple sponsorships of high school sport teams. We were also a proud sponsor of Hearts on Hartz, giving back to the art community here in town. Thank you!
